

Butler County Health Department

Amended Health Advisory

Monday, July 24, 2017

FROM: Whitney Preslar, Emergency Response Planner
Robert Hudson, Administrator

SUBJECT: *Cryptosporidium*

The Butler County Health Department provided information this morning that inadvertently did not include the Poplar Bluff Municipal Water System Treatment Technique Requirements letters sent to their customers. The Missouri Department of Natural Resources letters should have been included for the clarity of the issue.

Attached you will find the letters mailed by Poplar Bluff Municipal Water System regarding Treatment Technique Requirements.

We apologize to the Poplar Bluff Municipal Water System for this oversight.

We also apologize to our community partners and members for the oversight.

Please contact the Butler County Health Department for further information.
