## **REGIONAL CENTER**

**Services Provided:** Working side by side with individuals, families, agencies, and diverse communities, the Department of Mental Health establishes philosophy, policies, standards, and quality outcomes for prevention, education, habilitation, rehabilitation, and treatment for Missourians challenged by mental illness, substance abuse/addiction, and developmental disabilities. The regional offices, the primary points of entry into the system, provide assessment and case management services, which include coordination of each individual persons centered plan. A regional office may refer an individual to a habilitation center. Habilitation centers primarily serve individuals who are medically and behaviorally challenged, or court committed. All habilitation centers are Medicaid certified.

## Scott and Mississippi County

### **Catholic Charities of Southern Missouri DD (Developmental Disability) Program**

**Services Provided:** This program is offered to Scott County residents only who have been diagnosed with a developmental disability prior to age 22 and who reside in a community setting or are in process of transitioning to a community setting or are in process of transitioning to a community setting. The Regional Office of the Missouri Department of Mental Health in Sikeston determines eligibility and then the individual is referred to CCSOMO. A service Coordinator is assigned to that individual and he/she meets with them and their family to develop an Individual Service Plan. The goal of this program is to help individuals with developmental disabilities gain access to the care and services they need and for them to be able to maintain their current living environment in the community, as well as strengthen their level of independence and maximize their potential. Residents in other counties should contact the Regional Office in Sikeston to determine eligibility for services from another provider.
